NEW  
PRODUCT

IGBT inverter with frequency converter, with high efficiency and long life

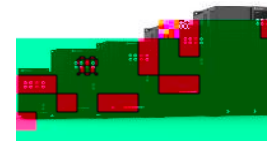

IGBT inverter with frequency converter

Product  
Features

Please refer to the official website for more details

| Model   |  | Power (kW) | Current (A) | Frequency (Hz) | Efficiency (%) | Life (h) | Weight (kg) | Dimensions (mm) |
|---------|--|------------|-------------|----------------|----------------|----------|-------------|-----------------|
| YJ-100  |  | 100        | 150         | 50             | 95             | 10000    | 10          | 1000x1000x100   |
| YJ-200  |  | 200        | 300         | 50             | 95             | 10000    | 20          | 2000x1000x100   |
| YJ-300  |  | 300        | 450         | 50             | 95             | 10000    | 30          | 3000x1000x100   |
| YJ-400  |  | 400        | 600         | 50             | 95             | 10000    | 40          | 4000x1000x100   |
| YJ-500  |  | 500        | 750         | 50             | 95             | 10000    | 50          | 5000x1000x100   |
| YJ-600  |  | 600        | 900         | 50             | 95             | 10000    | 60          | 6000x1000x100   |
| YJ-700  |  | 700        | 1050        | 50             | 95             | 10000    | 70          | 7000x1000x100   |
| YJ-800  |  | 800        | 1200        | 50             | 95             | 10000    | 80          | 8000x1000x100   |
| YJ-900  |  | 900        | 1350        | 50             | 95             | 10000    | 90          | 9000x1000x100   |
| YJ-1000 |  | 1000       | 1500        | 50             | 95             | 10000    | 100         | 10000x1000x100  |
